

Take the spotlight: Sponsor Rise & Shine!

Rise & Shine, South County

As the only sponsor for a Rise & Shine event, you will emcee the program, have a few moments to share information about your company, and introduce our county and city government officials. You can also distribute business promotional materials to Rise & Shine guests by "papering" the tables.

Your business will "rise and shine" in front of approximately 100 local business leaders and thousands more through the promotion of the event.

Sponsorship is only \$1,000
